

**Solidus Engineer is awarded
Certified Information Systems Security Professional (CISSP®) designation.**

August 05, 2009

Dear Solidus Engineer

Congratulations! It gives me great pleasure to be the first to address you with the Certified Information Systems Security Professional (CISSP®) designation!

Based upon your examination results, a review of your application and acceptance of your endorsement, the (ISC)2 Board of Directors awarded you with the CISSP designation. By virtue of becoming certified by (ISC)2, you are a member of the (ISC)2 Electorate and have certain voting privileges that are specified in the (ISC)2 Bylaws.

Your certificate will be shipped to the address listed above.

We appreciate the hard work and effort that you put forth to earn your CISSP certification. The CISSP is an important step in your information security career and we are pleased to offer you a wide range of services.
